**Empirical Consulting Solutions Again Named
One of Philadelphia's 100 Fastest-Growing Companies**

Narberth, PA – October 20, 2020 – Empirical Consulting Solutions (ECS), has been named to the Philadelphia100®, a hallmark of entrepreneurial achievement. This is the second time in as many years that ECS has been named to this list.

The Philadelphia100 is a merit-based program that identifies and honors the 100 fastest-growing, privately held entrepreneurial companies in the Greater Philadelphia region. Companies considered for this recognition must be independent, privately held corporations with a full three-year sales history that shows a sales increase from 2017-2019. Applicants are evaluated and audited by CPAs and Consultants.

Christopher Lee, an ECS Founder as well as a Managing Partner of the firm, explained, "It is truly an honor to be named to the Philadelphia100 for the second year in a row, as the achievement is widely recognized as a standard of excellence. We would like to thank all our clients and partners, as well as each member of the ECS team - without their support and trust, this would not have been possible. As well, we congratulate all who made this prestigious list.

"These are challenging times right now, and we are proud of the work we have accomplished. We have helped many companies pivot their businesses and stay relevant for their client base. We'll continue this work through the rest of the year, and assist businesses adapt and ultimately grow as we head into 2021," Lee concluded.

The Philadelphia100 was started in 1988 by the Entrepreneurs' Forum of Greater Philadelphia and the Wharton Small Business Development Center. The Entrepreneurs' Forum of Greater Philadelphia has now partnered with Philadelphia Media Network, publisher of *The Philadelphia Inquirer*, *Daily News*, and *Philly.com*.
