

# Do you want to obtain optimal results from your customer relationship management (CRM) system?

Does your current CRM give you—and your team—what you need?

Are you overpaying for your CRM?

Is your CRM fit to you, or did you fit yourself to a CRM?

- Full assessment of your needs
- Project team led by a sales and business expert – not a software tech
- Written plan developed to document your unique sales process
- System customized for your business needs
- Training included for all users
- Packages that meet your budget

## We make it EASY and deliver a complete CRM solution:

- Visually driven
- Easy/efficient data entry
- Free mobile app
- Simple and intuitive interface
- Easy-to-implement customization
- Email synchronization option
- Powerful system interface allows end-to-end integrations with other software
- Monthly subscriptions from under \$15/person

### WHAT OUR CLIENTS SAY:

*"The ECS team helped us from start to finish, and we were successfully up and running with Pipedrive more quickly than we anticipated. And our sales team now has the tool they need to close more deals and not let any opportunities fall through the cracks."*
