**Jerri Lynn Cech has a proven history of successfully recruiting talented individuals across a wide range of levels, from entry-level positions to VPs, Presidents, and Directors.**

With a decade and a half of experience in recruiting, she has a long track record of success within both corporate and agency recruiting. She works to build strong and trusting relationships with clients, and with internal and external hiring managers.

## EXTENSIVE EXPERTISE IN:

Staff management

Recruitment project management

Guiding the recruitment strategy of companies

Applicant tracking systems (ATS) and client management systems (CMS)

After starting her career in the legal world, Jerri Lynn transitioned to the area of recruiting within the secondary mortgage sector and quickly advanced to become a VP and Program Manager. She has extensive experience in full-cycle recruiting and staffing, and has been a key part of teams that touch all areas of the hiring and recruiting process: requisition and job description creation, internal and external recruitment and hiring, managing staffing processes, and more. In one particularly challenging year, she was personally responsible for the hiring of more than 200+ highly qualified finance professionals within just one organization.

She earned an Associate degree as a Paralegal from Concordia University-Wisconsin.

## KNOWN FOR:
