

Shubho Chatterjee

PARTNER, DIGITAL TRANSFORMATION & SUPPLY CHAIN

schatterjee@thinkempirical.com

Shubho works to help transform companies by developing highly-scalable and profitable solutions. He brings extensive technology experience in value realization and operational performance, business transformation, and enterprise IT solution design and delivery to his clients. His talents are multifold and lie in his ability to assess the needs of an organization, determine the urgency of a situation, and lead and execute change within.

A visionary leader, Shubho delivers value to clients with his growth-driven mindset and his deep experience as a positive change agent who has a close eye on operating margin and shareholder value.

EXTENSIVE EXPERTISE IN:

Transforming companies into profitability

M&A evaluations and integrations

P&L and risk management

Change management

Technology services and solutions

Supply chain management

Shubho has worked in healthcare, manufacturing, technology, retail, and service sectors, encompassing a range of enterprise-wide functions within each. He is adept in managing P&Ls, turnarounds, risk management, and governance. His diverse experience includes executive leadership roles as a Vice President, COO, and CIO.

Shubho holds a Ph.D. in Industrial Engineering and Operations Research from Virginia Polytechnic Institute and State University, an MS in Industrial Engineering from Lamar University (TX), an MS in Materials Science and Engineering from Southern Illinois University, and a BME in Mechanical Engineering from Jadavpur University (India).
